

NEW COVID-19 POLICY

Travel for All Mettler Patients, Clients, & Guests

If an employee, patient, or client travels to one of the known 5 COVID hot spots (Florida, Texas, Arizona, California, Georgia), they will not be permitted to return to the facility until either:

- They are COVID tested and receive a negative test result
- They self-quarantine for 14 days and are fever free for 72 hours

Please let your trainer or provider know if you have any questions.

Thank you,
